

A One day Workshop on “Science & Society”

11th November, 2013

Jawaharlal Nehru Technological University Hyderabad
Kukatpally, Hyderabad – 85

About the Event:

The Government of India had decided to observe 11th November as National Education Day in view of the birthday of Late Sri. Moulana Abdul Kalam Azad. Sri. Moulana Abdul Kalam Azad was a great leader of our freedom struggle and was India’s first Union Minister of Education who contributed immensely to the cause of education in India.

In order to pay a befitting tribute to this great son of India, the Educational Institutions in the country should celebrate the national education day in a big way by organizing various activities.

The theme for this Year’s National Education Day is “**Science & Society**”.
